

If driving with GPS:

1. Use the address: 3710 SW US Veterans Hospital Road, Portland, OR 97221
2. Follow signs to the VA Patient/Visitor parking garage. If stopped at the gate, tell the guard you are here for research study with Dr. Lim.
3. Take the garage elevators up to the main hospital lobby. You will know you are in the main hospital lobby by seeing a flagpole out front and a grand piano next to the elevators.

If coming by bus:

Buses that drop off at the VA: #8, #61, #64, #65, #66, #68

If taking one of the VA stop bus lines, ride until the stop "VA Main Hospital". You will know you are in the main hospital lobby by seeing a flagpole out front, and upon entering the lobby will see a help desk, coffee stand, and a grand piano next to the elevators.

Buses that drop off at the OHSU waterfront (then take tram up): #9, #17, #35, MAX Orange Line, NS Line Streetcar, B loop Streetcar, A loop Streetcar

Take any of the above methods of transit, then walk to the Aerial Tram Terminal. Take the aerial tram up to OHSU (\$4 to ride up, free to ride down). The cost of the tram is waved with proof of active military, and retired Veteran ID cards. Walk through the hospital and turn left at the OHSU hospital main lobby, following signs to the VA. Take the OHSU skybridge to the VA, you'll be on the second floor of the main hospital. Take the elevator or stairs down to the first floor of the hospital and meet in the lobby. You will recognize the lobby by the piano and coffee stand
